All are welcome to this fun and competitive event, not just BAA students!

This competition consists of two rounds, a standard and jumpers course which are scored cumulatively for overall winners at every jump height. The courses will be challenging, but flowing and appropriate for all dogs (no backsides or threadles), and the spacing will be generous for large strided fast dogs with safe contact approaches. Choose the jump height that is appropriate for your dog (4/8, 12, 16, 20 or 24). Winners placed 1st through 3rd will be awarded prizes for both standard and jumpers, as well as larger prizes for the overall winners (standard + jumpers) at each jump height. Scoring is time plus faults scoring (5 seconds added for bars and contacts, 20 sec for off courses, refusals not scored, up contacts not scored), so even if things don't go according to plan, still push to win! Training in the ring is permitted, though you will be eliminated from competition (up to 70 seconds).

Following the biathlon competition, a fun and fast Speedstakes competition consisting of only jumps and tunnels. Fun for dogs of all levels, this event will be scored time plus faults (5 seconds added for bars, 20 sec for off courses, refusals not scored). Winners of each jump height 1st through 3rd will receive prizes. Training in the ring is permitted, though you will be eliminated from competition (up to 70 seconds).

Entries open July 20th and close September 1st. While entries are limited, we hope to have room for Day of Entry on September 8th (but can't commit to it until we get closer). Depending on weather and entry, the trial may start at 8 or 9am and we hope to be done by noon. So thankful for our volunteers which are the only reason we can make this happen - please let me know what you can help out with with the volunteer form above! For those that can come help with moving and setting up on Saturday night (Sept 7th), there will be a fun match after for your dogs to play.

I understand that by participating in all dog events, classes, workshops, seminars, open practices, fun runs, private lessons and any other activities conducted under the auspices of Heather Christenson, I accept the following:

- That Heather Christenson's activities are held on private property, belonging to Heidi Loganbill, in the presence of other dogs whose temperaments are not known, and in the presence of other people whose temperaments are not known.
- That my participation in dog agility activities is not without risk to myself, my dog(s), other family members or guests, and other class participants (human or canine). These may include, without limitation, risks of physical injury, mental injury, emotional distress, trauma and death, property damage, and contact with other participants and their dogs. All risks are known and appreciated by me and I as a participant shall assume and pay my medical and emergency expenses in the event of injury, illness, or incapacity regardless of whether I authorized such expenses. I agree that I am solely responsible for the behavior and physical control of my dog(s) and agree to carefully monitor and control my dog(s) at all times.

Dog Sports involve strenuous running, twisting, bending and leaning for the handlers, and running, climbing and jumping for the dogs.
- That participating in dogs sports involve working outdoors in various weather conditions, including extreme heat and/or cold, wet conditions. Dogs sports involve working indoors on dirt surfaces with uneven footing and dusty conditions. Agility involves working in an area with vehicle traffic nearby. Participating in dog sports and classes involve off-leash dogs. Dogs are animals and may exhibit aggression to other dogs and people. Aggressive dogs may bite and may cause injury to people and/or other dogs.
- It is not reasonable, feasible nor realistic for Heather Christenson and its representatives to have knowledge of and compensate for any medical conditions that people or dogs may have that may be triggered or exacerbated by physical exertion and/or temperature extremes. Therefore, it is the participant's responsibility (or in the case of minor children – their parent's responsibility) to obtain medical or veterinarian approval for their (people and dogs) participation in the activity.

WAIVER, ASSUMPTION OF RISK, AND AGREEMENT TO HOLD HARMLESS

I agree as the event participant, or as the parent/guardian of a child participant, to hereby waive and release Heather Christenson and owners of all premises on which activities are held, employees, agents and volunteers from any and all liability of any nature for loss, injury, death, disappearance, theft, harm, illness, expense (including legal fees), hardship and/or damage which I (my child/children, if participants), my vehicle and/or my dog may suffer. In consideration of and as inducement to the acceptance of application for participation in dog training and/or activities that is held on private property, using equipment owned, rented or borrowed by Heather Christenson, I hereby agree to indemnify and hold harmless Heather Christenson, the private property owner(s) where classes are held, employees, volunteers and agents from any and all claims, or claims by any members of my family or guests while on the property where the event activity is being held and/or the surrounding property thereto as a result of any action by any dog, including my own, and/or human.
